File No.: GBAA

PURPOSE

To create for all Southwick-Tolland-Granville Regional School District employees a work environment free of sexual harassment.

The Southwick-Tolland-Granville Regional School District is committed to safeguarding the right of all persons associated with the Southwick-Tolland-Granville Regional School District, including students, employees, school committee members and volunteers to a work and educational environment that is free from all forms of sexual harassment. Therefore, the Southwick-Tolland-Granville Regional School District condemns and prohibits all sexual harassment on its premises.

All individuals associated with the District, but not necessarily limited to the School Committee, the administration, the staff, students and members of the public while on campus, are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment. Any person who engages in sexual harassment while acting as a member of the school community or while on school property will be in violation of this policy.

Appropriate disciplinary action, up to and including dismissal, will be taken in any instance where an employee violates this policy. Sexual harassment by a student will result in disciplinary action up to and including expulsion. Sexual harassment by others will result in their being excluded from School premises or if it is required that they enter the premises, they will be accompanied by a School District representative at all times.

If the sexual harassment is criminal in nature, the offense shall be reported to the police department as well as the Title IX Coordinator. If the sexual harassment requires the intervention of State social service or protective agencies, the proper authorities will be contacted. In these circumstances, the School's attorney will be immediately contacted to give advice and guidance on how to process these actions with the appropriate authorities.

Any employee who believes that he or she has been subjected to sexual harassment should make a complaint to any administrator, the Title IX Coordinator, or directly to the Superintendent, so that appropriate action may be taken at once.

Management representatives are charged with the responsibility of discouraging any sexually harassing behaviors within or outside of their areas of supervision. This includes directly confronting the harasser when a management representative observes harassing behavior, and immediately reporting the activity to the Title IX Coordinator.

COMPLAINT PROCEDURE INFORMAL PROCESS FOR EMPLOYEES

In determining whether an alleged incident constitutes sexual harassment, the Title IX Coordinator will be vested with the authority and responsibility of processing all sexual harassment complaints in accordance with the procedure outlined below, unless the Title IX Coordinator is the subject of the complaint.

1. Any employee of the District who believes that he/she has been subjected to sexual harassment is to report the incident(s) to any administrator, Title IX Coordinator, or directly to the Superintendent. The administrator and/or Superintendent are to immediately contact the Title IX Coordinator. A written record of the complaint will be made by the party receiving the complaint. A separate file system will be maintained, apart from the employee's personnel record, regarding these complaints and as to all matters relating to the complaints.
2. If the alleged harassment involves the Title IX Coordinator, the Superintendent of Schools will act as the Title IX Coordinator.
3. If the alleged harassment involves the Superintendent of Schools, the Secretary of the School Committee will act as the Title IX Coordinator.
4. The Superintendent and the Title IX Coordinator will look at the totality of the circumstances and the context in which the alleged incidents occurred. They will attempt to resolve the problem by conferring with both parties in order to obtain a clear understanding of the facts. All matters involving sexual harassment complaints will remain confidential to the extent possible.
5. Employees may be accompanied, at any phase of this process or subsequent hearing before the Committee, by a representative of their choosing.
6. The Title IX Coordinator will explain each phase of the Informal and Formal Complaint Process to an employee who wishes to file a complaint and will assist the employee in the processing of the complaint. In addition, the Title IX Coordinator will inform the employee of additional forums for resolution of the complaint such as the Office of Civil Rights (O.C.R.) and the Massachusetts Commission Against Discrimination (M.C.A.D.).
7. Under normal circumstances, the Title IX Coordinator's investigation will be completed within five working days of the initial complaint. Upon completion of the investigation, the Title IX Coordinator shall issue his/her findings in writing to the employee and the alleged harasser.

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

COMPLAINT PROCEDURE FORMAL PROCESS FOR EMPLOYEES

1. A complainant may file a formal complaint immediately or may do so after the Superintendent's and the Title IX Coordinator's efforts to reach a settlement under the informal process have proven unsuccessful.
2. The complaint will state clearly and concisely the complainant's description of the incident and it will also indicate any remedy sought. The complaint must be signed by the complainant. The Superintendent's office will send the respondent a copy of the complaint within five working days after it is received. A separate file system shall be maintained as to all matters relating to the complaint. Confidentiality shall be maintained to the extent possible.
3. The respondent will have ten working days to respond in writing. This statement will contain full and specific references to each claim in the complaint, admitting, denying or explaining the complainant's allegations. The respondent must sign his or her statement which will then be appended to the original complaint. Within three working days, the Superintendent's office will forward both statements to the complainant and the respondent.
4. There will be two modes of resolution for formal complaints. A complaint may be settled through mediation or through a hearing. If the complainant and respondent agree to pursue mediation, a date mutually acceptable to both parties will be set within ten working days. If the mediation results in a mutually acceptable agreement, copies of the agreement will be forwarded to both parties. If the mediation does not result in an agreement, the case will be forwarded to the Superintendent for a hearing unless the Superintendent is the alleged harasser in which case the hearing will be before the Southwick-Tolland-Granville Regional School Committee.
5. When a hearing is requested, the Title IX Coordinator will inform the Superintendent or the School Committee, as the case may be, and the case will be heard at the next regularly scheduled meeting of the School Committee pursuant to the provisions of the Commonwealth's Open Meeting Law and/or before the Superintendent pursuant to M.G.L., c. 71, § 42.

FORMAL HEARING

1. The purpose of the Superintendent or School Committee Hearing is to determine whether the school system's policy on sexual harassment has been violated, and, if so, to determine the appropriate consequences for the violation.
2. Both parties will be given a full and fair hearing. The proceeding, although formal, is not a court proceeding and the Superintendent or School Committee is not bound by the procedures and rules of evidence of a court of law. In most instances, complainants and

School Committee Policy

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

respondents will be expected to speak for themselves, although, if desired, each party may be accompanied by counsel or an advocate.

3. The presiding officer of the hearing may have counsel present for purposes of assisting in the orderly conduct of the hearing and the questioning of witnesses. The complainant and the respondent will be asked to clarify the issues and to define the areas of disagreement. To encourage a fair and focused hearing, at the start of the proceedings the points of agreement and disagreement will be reviewed. The Superintendent or the Committee, as the case may be, will hear testimony and consider whether the School Committee Policy on Sexual Harassment has been violated, and, if so, will recommend appropriate consequences.
4. The presiding officer will:
 - a. ensure an orderly presentation of all evidence;
 - b. ensure that the proceedings are accurately recorded by means of a tape or stenographic recording; and
 - c. see that a decision is issued no later than ten working days after the conclusion of the hearing or, when written arguments are submitted, ten working days after their submission.
5. The Superintendent or the Committee, as the case may be, will:
 - a. conduct a fair and impartial hearing which ensures the rights of all parties involved;
 - b. define issues of contention;
 - c. receive and consider all relevant evidence which reasonable people customarily rely upon in the conduct of serious business;
 - d. ask relevant questions of the complainant, respondent, and any witnesses if needed to elicit information which may be of assistance in making a decision; and
 - e. ensure that the complainant and respondent have full opportunity to present their claims orally or in writing, and to present witnesses and evidence which may establish their claims.

DECISION OF THE SUPERINTENDENT OR THE COMMITTEE

1. After all the evidence, testimony, and written arguments have been presented, the committee will convene for deliberations to determine whether the school system's policy on sexual harassment has been violated. If the Committee finds after a roll call vote that the policy has not been violated, that fact will be registered in the records of the hearing, and the written decision will be forwarded to the complainant and the respondent no later than fifteen working days after completion of the hearing.

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

In hearings before the Superintendent, if the Superintendent finds that the policy has not been violated, the Superintendent will issue a written decision to the complainant and the respondent no later than fifteen working days after the completion of the hearing.

2. If the Committee finds after a roll call vote that the charge of violating the school system's policy on sexual harassment has been substantiated, the hearing Committee will prepare findings and will determine a penalty for the respondent and relief for the complainant. The Committee will issue such decision to the complainant and the respondent no later than fifteen working days after the completion of the hearing.

In hearings before the Superintendent, if the Superintendent finds that the charge of violating the school system's policy on sexual harassment has been substantiated, the Superintendent will prepare findings and will determine a penalty for the respondent and relief for the complainant. The Superintendent will issue such decision to the complainant and the respondent no later than fifteen working days after the completion of the hearing.

The findings of fact as well as the penalty and relief will be based solely on the testimony and evidence presented at the hearing.

3. The penalty should reflect the severity of the harassment. The penalties may include, but will not be limited to, any one or combination of the following: verbal admonition, written warning placed in the respondent's personnel file or student record, probation, suspension without pay, dismissal, demotion, or removal from administrative duties within a department; students may be subject to suspension or expulsion proceedings following a finding that the policy has been violated. The Committee or Superintendent may also make appropriate recommendations, such as professional counseling, and may recommend relief for the complainant which reinstates and restores, as much as possible, the aggrieved party.

CODE: MASSACHUSETTS MATERNITY LEAVE

Category: PERSONNEL

Adopted: 5/21/2013

File No.: GCCBC

Revised:

I. Administrative Policy

It is the Administrative Policy of the Southwick-Tolland-Granville Regional School Committee to implement and administer the provisions of the Massachusetts Maternity Leave Act. This law is intended to balance the demands of the workplace with the needs of the family, promote stability and economic security of families, promote national interests in preserving family integrity and entitle employees to take reasonable leaves for qualifying reasons.

II. Definitions

Eligible Employees: An employee who has worked in a full-time position for three consecutive months is covered by the MMLA.

Qualifying events: The leave is for the time period immediately after childbirth or adoption.

Length of Leave: The leave entitlement under the MMLA is 8 weeks for each child birth or adoption. If twins are born or there are 2 adoptions then the entitlement is up to 8 weeks for each child. Therefore, in the above circumstances, the employee would be entitled to up to 16 consecutive weeks of leave.

Leave for FMLA and MMLA will run and be determined concurrently. Leave under this policy runs concurrently with workers' compensation leave when the work-related injury qualifies as a serious health condition and maternity leave under M.G.L c. 149, § 105D.

III. Procedure

Notice Requirement: An employee is required to give at least two weeks' notice of her anticipated date of departure and intention to return.

IV. Effect of Benefits

- A. An employee granted a leave under this policy will continue to be covered under the District's group health insurance plans and life insurance plans under the same conditions as coverage would have been provided if he/she had been continuously employed during the leave period.
- B. Employee contributions will be required either through payroll deduction or by direct payment to the Business Office. The employee will be advised in writing at the beginning of

School Committee Policy

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

the leave as to the amount and method of payment. Employee contribution amounts are subject to change in rates that occur while the employee is on leave.

- C. If an employee's contribution is more than 30 days late, the Business Office may terminate the employee's insurance coverage. A written notification of intent to terminate coverage will be sent to the employee by certified mail at least five business days prior to said termination date.
- D. If the employee fails to return from maternity leave, the District may seek reimbursement from the employee for the portion of the premiums it paid on behalf of that employee (also known as the employer contribution) during the employee's leave.
- E. An employee is not entitled to seniority or benefit accrual during periods of unpaid leave, but will not lose any seniority or accrued benefits earned prior to the leave.
- F. Under an MMLA leave the employee has the option of using available accrued paid time, or being placed in an unpaid leave status for the duration of the leave.

V. Job Protection

- A. If the employee returns to work within the 8 weeks of the maternity leave, he/she will be reinstated to his/her former position or an equivalent position with equivalent pay, benefits, status and authority.
- B. The employee's restoration rights are the same as they would have been had the employee not been on leave. Thus, the employee will be subject to any pay or benefit reductions or other adverse actions, including layoff, that he or she would have experienced if he or she had not taken leave under this policy.
- C. If the employee fails to return after a maternity leave, the employee may be terminated, unless reinstated to his/her same or similar position, in accordance with applicable laws, other leave-related policies, and/or appropriate bargaining unit contract language.

VI. Paternity Leave

Male employees are entitled to unpaid leave in accordance with the terms of this policy.

A. Leave without Pay

1. Employees may take leave without pay when they have exhausted their leave benefits and need additional leave to cover personal illness; the illness of a spouse, child, or parent; the birth or adoption of a child; for any “qualifying exigency” arising out of the fact that the employee’s spouse, son, daughter, or parent is on active duty, or has been notified of an impending call or order to active duty as a member of the National Guard or Reserves, in support of a contingency operation; or to care for a covered service member with a serious injury or illness if the employee is the servicemember’s spouse, son, daughter, parent, or next of kin.

* While the twelve (12) months of employment need not be consecutive, employment periods prior to a break in service of seven (7) years or more need not be counted unless the break is occasioned by the employee’s fulfillment of his/her National Guard or Reserve military obligation (as protected under the Uniformed Services Employment and Reemployment Rights Act (USERRA)), or a written agreement, including a collective bargaining agreement, exists concerning the employer’s intention to rehire the employee after the break in service.
3. Extent of leave:

The employee must exhaust all sick leave as per contract, available paid vacation leave and personal leave before being entitled to take leave without pay.
4. Definitions:

 - (2) shall give the employee's supervisor at least thirty (30) days' notice, before the date the leave is to begin, of the employee's intention to take personal medical leave without pay, except that if the date of treatment requires the leave to begin in less than thirty (30) days, the employee shall provide such notice as practicable.
 - d. If the necessity for leave is foreseeable less than thirty (30) days in advance, the employee must provide notice as soon as practicable – generally, either the same or next business day.
 - e. If the necessity for leave is not foreseeable, the employee must provide notice to the employer as soon as practicable under the facts and circumstances of the particular case. Absent unusual circumstances, employees must comply with the employer's usual and customary notice and procedural requirements for requesting leave.

 - g. Before the employee may resume work, the employee must present his or her supervisor with written medical certification from the employee's health care provider that the employee is able to resume work. If reasonable safety concerns exist, the School Committee may, under certain circumstances, require such a certification for employees returning from intermittent FMLA leave.
2. Family Medical Leave without Pay: The Superintendent may grant a medical leave of absence without pay to an employee who needs the time off to care for the employee's spouse, child or parent, if the spouse, child or parent has a serious health condition.
 - a. Medical Certification
 - (1) The School Committee may require a medical certification from the health care provider for the spouse, child, or parent, as the case may be, stating -

 - ii. the probable duration of the condition,
 - iii. the appropriate medical facts within the health care provider's knowledge regarding the condition,
 - iv. that the employee is needed to care for the spouse, child, or parents, as the case may be, and an estimate of the amount of time that such employee is needed to care for the spouse, child, or parent.

The employee must obtain the opinion of the School Committee's designated health care provider concerning the information in b., above. The health care provider giving the second opinion may not be a person regularly employed by the School Committee.

School Committee Policy

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

- (3) If the second opinion conflicts with the first, the School Committee may require, at the School Committee's expense, a third opinion. The third provider's opinion shall be final and binding on the School Committee and the employee.
 - (4) The Superintendent may require an employee on medical leave without pay to provide medical certification at reasonable intervals.
 - b. If the necessity for leave is foreseeable based on planned medical treatment, the employee—
 - (1) Shall make a reasonable effort to schedule the treatments so as not to disrupt unduly the operations of the school, subject to the approval of the health care provider for the spouse, child, or parent of the employee, as the case may be, and
 - (2) Shall give the employee's supervisor at least thirty (30) days notice, before the date the leave is to begin, of the employee's intention to take family medical leave without pay, except that if the date of the treatment requires the leave to begin in less than thirty days, the employee shall provide such notice as practicable.
 - c. If the necessity for leave is foreseeable less than thirty (30) days in advance, the employee must provide notice as soon as practicable – generally, either the same or next business day.
 - d. If the necessity for leave is not foreseeable, the employee must provide notice to the employer as soon as practicable under the facts and circumstances of the particular case. Absent unusual circumstances, employees must comply with the employer's usual and customary notice and procedural requirements for requesting leave.
 - e. the employee may take intermittent leave or take leave on a reduced leave schedule when medically necessary.
3. Parental Leave without Pay: An employee may take parental leave without pay within one year of the birth of the child in order to care for that child. An employee may take parental leave without pay within one year of the placement of a child with the employee for adoption or foster care.
 - a. When the need for parental leave without pay is foreseeable based on expected birth or placement, the employee shall give his or her supervisor at least thirty (30) days' notice before the date the leave is to begin. If the date of the birth or placement requires leave to begin in less than thirty days, the employee shall provide such notice as is practicable. Absent unusual circumstances, employees must comply with the employer's usual and customary notice and procedural requirements for requesting leave.
 - b. An employee taking parental leave without pay may not take intermittent leave or work on a reduced leave schedule without the express consent of the Superintendent in writing.
4. Qualifying Exigencies Leave Without Pay: An employee may take leave without pay for qualifying exigencies arising out of the fact that the employee's spouse, son, daughter, or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation. Qualifying exigency leave is not available to family members of military members in the Regular Armed Forces. A qualifying exigency is defined as: (1) Short-notice deployment (i.e., deployment on seven or less days of notice) for a period of seven days from the date of notification; (2) Military events and related activities; (3) Childcare and school

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

activities; (4) Financial and legal arrangements; (5) Counseling; (6) Rest and recuperation; (7) Post-deployment activities; and (8) Additional activities not encompassed in the other categories, but agreed to by the employer and employee.

a. Certification

(1) Leave for a qualifying exigency must be supported by a copy of the covered military member's active duty orders and certification providing the appropriate facts related to the particular qualifying exigency for which leave is sought, including contact information if the leave involves meeting with a third party. A second and third opinion and recertification are not permitted for certification of a qualifying exigency. The employer may contact the individual or entity named in a certification of leave for a qualifying exigency for purposes of verifying the existence and nature of the meeting.

b. An employee must provide notice of the need for foreseeable leave due to a qualifying exigency as soon as practicable. When the need is not foreseeable, the employee must provide notice to the employer as soon as practicable under the facts and circumstances of the particular case. Generally, it should be practicable to provide notice for unforeseeable leave within the time prescribed by the employer's usual and customary notice requirements.

c. Leave may be taken intermittently for a qualifying exigency.

5. Care for Service Member Leave Without Pay: An employee who is a spouse, son, daughter, parent, or next of kin of a current member of the Armed Forces, including a member of the National Guard or Reserves, with a serious injury or illness may take leave without pay for up to a total of twenty-six (26) workweeks during a single twelve (12) month period to care for the servicemember.

A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. A serious injury or illness is one that was incurred by a servicemember in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating. The "single 12-month period" for leave to care for a covered servicemember with a serious injury or illness begins on the first day the employee takes leave for this reason and ends 12 months later, regardless of the 12 month period established by the employer for other types of FMLA leave. An eligible employee is limited to a **combined** total of 26 workweeks of leave for any FMLA-qualifying reason during the "single 12-month period." (Only 12 of the 26 weeks total may be for a FMLA-qualifying reason other than to care for a covered servicemember).

a. Medical Certification

(1) Leave to care for a covered servicemember with a serious injury or illness must be supported by a certification completed by an authorized health care provider **or** by a copy of an Invitational Travel Order (ITO) or Invitational Travel Authorization (ITA) issued to any member of the covered servicemember's family. Second and third opinions and recertification are not permitted. The employer may use a health care provider, a human resource professional, a leave administrator, or a management official – but not the employee's direct supervisor – to authenticate or clarify a medical certification of a serious injury or illness, or an ITO or ITA.

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

- b. Employees seeking to use military caregiver leave must provide 30 days advance notice of the need to take FMLA leave for planned medical treatment for a serious injury or illness of a covered servicemember. If leave is foreseeable, but 30 days advance notice is not practicable, the employee must provide notice as soon as practicable – generally, either the same or next business day. When the need is not foreseeable, the employee must provide notice to the employer as soon as practicable under the facts and circumstances of the particular case. Generally, it should be practicable to provide notice for unforeseeable leave within the time prescribed by the employer’s usual and customary notice requirements.
- c. Leave may be taken intermittently whenever **medically necessary** to care for a covered servicemember with a serious injury or illness. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer’s operation.

C. Special Rules

1. Rules Applicable to Instructors in Periods Near the Conclusion of the Academic Term:

The following rules apply to any employee who takes leave without pay under this policy and who is employed principally in an instructional capacity.

- a. If leave without pay begins more than five weeks before the end of an academic term, the principal may require the employee to continue taking leave until the end of that academic term, if--
 - (1) the leave is of at least three weeks duration, and
 - (2) the return to work would occur during the three-week period before the end of the academic term.
- b. If leave because of the birth of a son or daughter; leave because of the placement of a son or daughter for adoption or foster care; leave taken to care for a spouse, parent, or child with a serious health condition; or leave taken to care for a covered servicemember without pay begins within five weeks before the end of an academic term, the principal, may require the employee to continue taking leave until the end' of that term, if--
 - (1) the leave is of at least two weeks duration, and
 - (2) the return to work would occur during the two-week period before the end of the academic term.
- c. If leave because of the birth of a son or daughter; leave because of the placement of a son or daughter for adoption or foster care; leave taken to care for a spouse, parent, or child with a serious health condition; or leave taken to care for a covered servicemember without pay begins within three weeks before the end of an academic term the principal may require the employees to continue taking leave until the end of that term, if the leave is for more than five working days.
- d. The extended leave is counted against the teacher's FMLA allotment. If the teacher's FMLA allotment expires during the extension, the additional time is nevertheless deemed FMLA leave.

2. Intermittent Leave and Reduced Leave Schedules:

School Committee Policy

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

- a. If the intermittent leave or reduced leave schedule is foreseeable based on planned medical treatment, the Superintendent may require the employee to transfer temporarily to an available alternate position—
 - (1) which is offered by the Superintendent,
 - (2) for which the employee is qualified,
 - (3) which has equivalent pay and benefits, and
 - (4) which better accommodates recurring periods of leave than the regular employment position of the employee.
 - b. If a teacher does not give the School Committee the required thirty (30) days notice for intermittent leave or a reduced leave schedule which is foreseeable, he or she must delay the taking of leave until the notice provision is met.
 - c. If a teacher takes intermittent leave or a reduced leave schedule which is for more than 20% of the normal working days over the period of the leave, that teacher must instead take the entire period as FMLA leave.
3. Benefits during Leave:
- a. While the employee is on leave, the Southwick-Tolland-Granville Regional School District shall maintain coverage of that employee under its group health plan at the level and under the conditions which would have been provided if the employee had continued in employment instead of being on leave.
 - b. If the employee normally had a monthly payment to that plan, the employee must make that monthly payment. If the employee fails to make such payments, the Southwick-Tolland-Granville Regional School District shall, if possible, continue the benefits at the reduced rate. If such a reduced rate is not possible, then the employee shall be excluded from the group health plan.
4. Employment and Benefits upon Return to Work:
- a. Any employee who takes leave under this Policy for the intended purpose of the leave shall be entitled, on return from leave--
 - (1) to be restored to his or her former job, or
 - (2) to be placed in an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
 - b. The taking of leave under this policy shall not result in the loss of any employment benefit accrued before the date on which the leave began, nor be counted against the employee under a “no fault” attendance policy. If a bonus or other payment, however, is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to FMLA leave, payment may be denied unless it is paid to an employee on equivalent leave status for a reason that does not qualify as FMLA leave.

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

- c. No employee shall accrue seniority or employment benefits during any period of leave, nor shall the employee be entitled to any right, benefit, or position of employment other than those to which the employee would have been entitled if the employee had not taken the leave. This policy does not change the legal status of probationary teachers or the Superintendent's authority under M.G.L. Chapter 71, sec. 41 and 42.
5. Failure to Return from Leave: The Southwick-Tolland-Granville Regional School District may recover the premium which it paid for maintaining coverage of the employee under its group health plan during the employee's unpaid leave under this policy if--
 - a. the employee fails to return from unpaid leave under this policy after the period of leave to which the employee is entitled has expired; and
 - b. the employee fails to return to work for a reason other than--
 - (1) the continuance, recurrence, or onset of a serious health condition which would entitle the employee to personal or family medical leave without pay, or
 - (2) other circumstances beyond the control of the employee.
 6. Prohibited Acts:
 - a. No employee of the Southwick-Tolland-Granville Regional School District shall interfere with, restrain, or deny the exercise of or the attempt to exercise any right provided under this title.
 - b. No employee of the Southwick-Tolland-Granville Regional School District shall discriminate against any individual for opposing any practice contrary to this policy.
 - c. No employee of the Southwick-Tolland-Granville Regional School District shall discriminate against any individual for:
 - (1) filing any charge, instituting or causing to be instituted any proceeding, under or related to this policy,
 - (2) giving, or being about to give, any information in connection with any inquiry or proceeding relating to any right provided under this policy, or
 - (3) testifying, or being about to testify, in any inquiry or proceeding relating to any right provided under this policy.

Pursuant to M.G.L., Chapter 71, s.38G, no person shall be eligible for employment as a teacher or professional support personnel or administrator unless he/she has been granted by the Commissioner an educator license with respect to the type of position for which he/she seeks employment.

State and federal regulations also require that all school districts ensure that highly qualified and fully licensed educators serve as teachers for our students. The Education Reform Act also requires teachers to renew their licenses on a pre-determined schedule. All licenses issued by the Massachusetts Department of Elementary and Secondary Education define and record the expiration date. From the date that this policy is adopted by the Southwick-Tolland-Granville Regional School District Committee, all professional staff must complete the renewal of appropriate licensure prior to the expiration date on their license and submit evidence of appropriate licensure to the Superintendent's office. Many professional staff members have June expiration dates due to the statewide initiation of this requirement. These staff members must submit evidence of a renewed license to the Superintendent's office prior to the end of the academic year. For professional staff with expiration dates that occur in other months, evidence of a renewed license must be submitted prior to the expiration date. For continued employment in the next, or subsequent school year, evidence of licensure must be submitted prior to June 30.

While the Superintendent's office will continue to maintain records of licensure and renewal dates consistent with required data management, it is the responsibility of the teachers to complete the renewal process in a timely manner. Failure to submit evidence of licensure according to the timeframe delineated in this policy will result in termination of employment.

CODE: SUBSTITUTE TEACHER EMPLOYMENT

Category: PERSONNEL

Adopted: 2/5/08

File No.: GCG

Revised:

The school system will employ as substitute teachers, to the extent possible, persons who meet the requirements for teacher appointments and will assign teachers substitute teaching positions on the basis of their areas of competence. When the supply of potential substitutes in a particular subject area is too limited to meet school department needs, there will be active recruitment for substitutes in those areas. All substitute teachers will be expected to provide educational services, rather than to assume merely a student-supervisory role. They will be provided with as much support as possible by building administrators and teachers.

The purpose of this policy is to outline the conditions of compensation for daily, short-term and long-term substitutes employed in this school district. A primary goal is to provide a fair and equitable standard which will attract and retain qualified substitute personnel. Inherent in this policy is the assumption that teacher substitutes, with the support of regular staff and supervisors will provide an instructional program of quality within the normal constraints of a temporary assignment.

DAILY SUBSTITUTES: Daily substitutes shall be compensated at the daily substitute rate. Half-day substitutes shall be compensated at 50% of the daily substitute rate. No regular fringe benefits (e.g. health insurance, dental insurance, life insurance, or paid sick days) shall be included.

SHORT-TERM SUBSTITUTE: The short-term substitute will serve a period in excess of twenty (20) consecutive school days but less than ninety (90) consecutive school days in the same assignment. One occurrence of sick or emergency absence should not be considered a break in service unless it lasts for three (3) or more consecutive days. Short-term substitute shall be compensated at 60% of the current B1 rate established in the teachers' contract – no employee benefits will be offered.

LONG-TERM SUBSTITUTES: The long-term substitute will serve a period of ninety (90) consecutive school days up to a full year in the same assignment. One occurrence of sick or emergency absence should not be considered a break in service unless it lasts for three (3) or more consecutive days. Beginning with the ninetieth (90th) school day, compensation shall be at the B1 rate of the teachers' contract. Employee benefits (e.g. health insurance, dental insurance, life insurance, or paid sick days) will be offered to long-term substitutes as listed below.

ONE SCHOOL YEAR – LEAVE OF ABSENCE: If the Superintendent or School Committee grants a leave of absence in advance to an employee covered by the collective bargaining agreement between the Southwick-Tolland-Granville Regional School Committee and the Southwick-Tolland-Granville Education Association for a period of one full school year, the full-year substitute shall be offered a contract of one year duration only with all responsibilities of a teacher. Compensation shall be at the B1 rate of the teachers' contract. Employee benefits (e.g. health insurance, dental insurance, life insurance, or paid sick days) will be offered to long-term substitutes as listed below.

Administrators

The nature of the duties and responsibilities of administrators and supervisors will require their hours of work to vary and extend as necessary to fulfill the requirements of their positions.

During the course of their contract year, all administrators will be expected to work during the hours and on the days that the superintendent's office is open unless special scheduling arrangements have been made with the superintendent. On days schools are closed because of bad weather or other emergencies, all staff members except those who work only on teacher work days are required to report to work as soon as they are able to do so.

The working year for administrators will be established individually through their contracts.

Teachers

Generally, the working day for teachers will be determined by the hours established for students. There will be the same seven (7) hour continuous work day for all teachers located in the same building, except where otherwise provided.

SCHOOL HOURS:	Southwick-Tolland Regional High School	7:30 – 2:30
	Powder Mill Middle School	8:05 – 3:05
	Woodland Elementary School	8:40 – 3:40

Teachers may leave the last school day of each week as soon after closing as possible provided his/her students have been cared for, plans for the next day are completed and details are in proper order.

Teachers may mutually agree with principals, subject to the approval of the superintendent, to adjust reporting and leaving times to accommodate special supervision, meetings, or other special demands on a teacher's time.

Every effort will be made by the administration to provide a uniform work day for teachers at the various levels.

The working year for teachers will be established in connection with the committee's adoption of the school calendar.

The formal evaluations will be written and will be discussed by the supervisor and the person being evaluated. The discussions may either precede or follow the writing of the evaluation document. Copies of the written document will be signed by both parties and incorporated into the personnel files of the teacher or administrator. In addition, the individual and his/her department chairman (if applicable) will receive a signed copy. The signature should indicate that the evaluation has been read and discussed.

5. It is the teacher's responsibility to request assistance; the evaluator's responsibility to give assistance. A program designed to bring about needed improvement should be developed by the teacher and the evaluator.
6. The evaluation process will be subject to periodic revision.

The substance of the teacher's evaluation will be based on the basic function of the teacher as it is understood by the school committee. Specifically, the teacher must institute and direct learning activities compatible with the philosophy of the school system. These learning activities should lead to the acquisition of knowledge and promote the maximum development of desirable behavior, skills, habits, attitudes, appreciation, beliefs, and standards. Therefore, teachers will be appraised in terms of the following characteristics, qualities, and demonstrated skills:

1. Extent and currency of knowledge and understanding of subject matter, the learning process, and general education.
2. Development and use of effective techniques for motivation and instruction.
3. Daily preparations as evidenced in thorough planning and preparation.
4. Quality of student-teacher relationships.
5. Classroom management.
6. Professional appearance and manner.

CODE: REDUCTION IN PROFESSIONAL STAFF WORK FORCE

Category: PERSONNEL

Adopted: 3/9/05

File No.: GCQA

Revised:

In the event it becomes necessary to reduce the number of staff members, the school department will follow the procedure below:

1. Teachers without professional teacher status generally will be terminated first if there is a qualified teacher with professional teacher status to fill the position.
2. Should all teachers in the areas subject to reduction be fully certified, the superintendent will review the performance of teachers without professional teacher status and make recommendations for termination without prejudice.

Prior to making a decision, the superintendent must be sure that there are teachers who are qualified and certified to perform all of the needed duties of the terminated teachers.

All certified personnel terminated for purposes of reduction in force may be considered for reemployment as vacancies occur in positions for which they are qualified. Opportunity for reemployment will be extended for two years to personnel in the reverse order of the termination order above. If recall is refused, the staff member's name will be dropped from the list.

The district will follow all of the requirements of the law in terminating teachers in order to reduce staff.

The superintendent or principal will strive to assist personnel to perform their duties efficiently. However, the superintendent may dismiss any employee in accordance with state law. Further, the committee recognizes the constitutional rights of the district's employees and assures them the protection of due process of law. To guarantee such rights, a system of constitutionally and legally sound procedures will be followed in each case of suspension or dismissal of an employee.

When the superintendent or a principal determines that sufficient cause exists that a professional employee be suspended or dismissed from service in the school system, he or she will:

1. Be certain that each such case is supported by defensible records.
2. Determine if the individual is to be suspended immediately with the understanding that the suspension will be subject to restoration of salary and position if an appeal is decided in favor of the individual.
3. Follow the procedures for dismissal or suspension that are contained in applicable laws as well as those included in the current agreement with the teachers' bargaining unit.
4. Provide the individual involved with a written statement that will:
 - a. Indicate whether the action the superintendent is taking is dismissal or suspension.
 - b. State the reason for the suspension or dismissal.
 - c. Guarantee that all procedures will be in accord with due process of law.

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT

File: GDCC-E

- d. If the School System requires a teacher to extend leave under these rules, the extended leave is counted against the teacher's FMLA allotment. If the teacher's FMLA allotment expires during the extension the additional time is nevertheless deemed FMLA leave.
2. Intermittent Leave and Reduced Leave Schedules:
 - a. If the intermittent leave or reduced leave schedule is foreseeable based on planned medical treatment, the Director may require the employee to transfer temporarily to an available alternate position--
 - (1) which is offered by the Director,
 - (2) for which the employee is qualified,
 - (3) which has equivalent pay and benefits, and
 - (4) which better accommodates recurring periods of leave than the regular employment position of the employee.

 - c. If a teacher takes intermittent leave or a reduced leave schedule which is for more than 20% of the normal working days over the period of the leave, that teacher must instead take the entire period as FMLA leave.
3. Benefits during Leave:
 - a. While the employee is on leave, the School System shall maintain coverage of that employee under its group health plan at the level and under the conditions which would have been provided if the employee had continued in employment instead of being on leave.
 - b. If the employee normally had a monthly payment to that plan, the employee must make that monthly payments. If the employee fails to make such payments, the School System shall, if possible, continue the benefits at the reduced rate permitted for the School System's payment alone. If such a reduced rate is not possible, then the employee shall be excluded from the group health plan.
4. Employment and Benefits upon Return to Work:
 - a. Any employee who takes leave under this Policy for the intended purpose of the leave shall be entitled, on return from leave--

 - (2) to be placed in an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
 - b. The taking of leave under this policy shall not result in the loss of any employment benefit accrued before the date on which the leave began.
 - c. No employee shall accrue seniority or employment benefits during any period of leave, nor shall the employee be entitled to any right, benefit, or position of employment other than those to which the employee would have been entitled if the employee had not taken the leave. This policy does not change the legal requirement that probationary teachers teach at least 160 contractual teaching days during the school year in order to count the year toward the three years of service needed to attain continuing contract status.
 - d. The Director may deny restoration to salaried employees who are among the highest paid 10 percent of the School System's employees, if
 - (1) such denial is necessary to prevent substantial and grievous economic injury to the operations of the School System,
 - (2) the Director notifies the employee of the intent of the School System to deny restoration on the basis of economic injury at the time the Director determines that such injury would occur, and
 - (3) if the leave has begun, the employee does not return to work after receiving the notice of intent not to restore him or her.
5. Failure to Return from Leave: The School System may recover the premium which it paid for maintaining coverage of the employee under its group health plan during the employee's unpaid leave under this policy if--
 - a. the employee fails to return from unpaid leave under this policy after the period of leave to which the employee is entitled has expired; and
 - b. the employee fails to return to work for a reason other than--
 - (1) the continuance, recurrence, or onset of a serious health condition which would entitle the employee to personal or family medical leave without pay, or
 - (2) other circumstances beyond the control of the employee.
6. Prohibited Acts:

The school calendar, as adopted by the school committee, establishes holidays and school recess periods for the employees who work on teacher and/or student days.

Employees who work on a 12-month basis will be granted paid holidays on all legal holidays and such other holidays as designated by the school committee. They will also be expected to report to work during school recess periods unless days during these periods are considered official and designated as paid holidays by the committee.

To qualify for holiday pay, the employee must be at work on the day before and the day following the holiday, unless his/her absence is approved on the basis of current leave policies.
