

Children Learn What They Live

• If a child lives with criticism,

He learns to condemn.

If a child lives with hostility,

He learns to fight.

If a child lives with ridicule,

He learns to be shy.

If a child lives with tolerance,

He learns to be patient.

If a child lives with encouragement,

He learns confidence.

If a child lives with praise,

He learns to appreciate.

If a child lives with fairness,

He learns justice.

If a child lives with security,

He learns to have faith.

If a child lives with approval,

He learns to like himself.

If a child lives with acceptance and
friendship,

He learns to find love in the world.

EARLY CHILDHOOD SCREENING

What is the Early

Childhood Screening

and Who is Screened?

The public school Screening Team is sponsored by the Southwick-Tolland-Granville Regional School District. The screening is offered free of charge to all children who are three, four or five years of age and who are residents of Southwick, Tolland or Granville. The Screening is a brief survey of a child's growth in different areas (e.g. readiness skills, speech/ language, hearing and vision). You and your child will rotate through several screening centers and your child's results will be mailed home to you.

Why is the Screening Provided?

The screening is part of a federal law which asks public school to offer this service. It is provided for several reasons:

- (1) we hope to provide families with information on how a child is developing in relation to other children of similar age
- (2) this is one way to help identify children who may need additional assistance in one of the above developmental areas and then to provide services in this area, and lastly
- (3) it is a prerequisite for enrollment as a peer partner in the Public School's Preschool Program.

Screening Occur?

There are two actual screenings—a preschool screening and a kindergarten screening. These screenings occur at Woodland School, 80 Powder Mill Road, Southwick, MA.

The **preschool screening** is scheduled on one designated Friday each month, and then all day on a Friday in January, at Woodland School.

The **kindergarten screening** occurs in May at Woodland School, as well.

How do I get an appointment?

You may schedule a kindergarten screening or a preschool screening by calling 413-569-6598.
