

***PRESCHOOL SCREENING***  
**Southwick-Tolland-Granville**  
**Children 3-4 years of age**

The Southwick-Tolland-Granville Regional School District wishes to announce a screening for children who are three and four years of age. This free screening will be held on **Friday, January 11, 2019 at the Woodland School, 80 Powder Mill Road, Southwick, MA.** Any child, who resides in the towns of Southwick, Tolland or Granville is eligible to participate in this free screening. The screening is a brief survey of a child's growth in several different areas (i.e. readiness skills, speech/language, hearing and vision). This screening is provided for several reasons:

1. to provide families with information on how their child is developing in relation to other children of similar age,
2. to help identify children who may need additional assistance in one of the above developmental areas, and
3. it is a prerequisite for enrollment as a peer partner in the Public School's Preschool Program.

Southwick-Tolland-Granville Regional School District offers a high quality integrated preschool program that is language-based. It is reasonably priced and has a payment plan. If you are interested in placing your child in this preschool setting, please sign up for a free screening and make an appointment to visit our program.

**PLEASE CALL 569-6598 FOR AN APPOINTMENT before**  
**January 11<sup>th</sup>, 2019 and for more information**
